

HACCP Planning for Natural Resource Pathways

Date: April 25, 2006

Location: Hampton Inn – Hopewell, VA

Instructors: Mike Goehle, USFWS; Helen Domske, NYSG, Lisa Moss, USFWS

Description:

This HACCP training will focus on natural resource and baitfish pathways for the inadvertent movement of non-target organisms. Upon completion of the training participants will be able to:

- Identify hazards in their work.
- List the critical steps in their process.
- Identify areas in a process where non-target organisms can be controlled.
- Determine the corrective actions to control these non-targets.
- Write and implement effective HACCP plans.

Registration:

The workshop is free, but pre-registration is required.

Registration deadline: April 18, 2006.
